

APPLICATIONS ARE NOW BEING ACCEPTED!

WHAT IS THE ENERGY ASSISTANCE PROGRAM?

The Energy Assistance Program provides financial assistance to qualified households. Households are given a one-time benefit to maintain utility services during the winter heating season. EAP assists with a variety of heat sources including but not limited to: electric (prepaid and regular), natural gas, bulk fuel (propane, fuel oil), wood, and/or households that have one or more of the utilities included in the rent.

DOES THE PROGRAM ASSIST HOUSEHOLDS IN DISCONNECT OR DISCONNECTED?

The Energy Assistance Program is open to qualified households that have a disconnect, are disconnected, and/or are current on their bill.

WHEN DOES THE PROGRAM END?

The program is first come, first serve. The program ends on Friday, April 30th at 5:00pm.
